Starting a Business in the USVI

The Economic Development Authority houses a **Business Incubator Program** to support up to 15 entrepreneurs. Aspiring business owners receive an EDA-sponsored home base including computers, telephones, fax machines and rent-free offices to launch their company. The incubator program also offers participants professional consulting services in areas such as accounting and marketing.

The incubator program allows start-ups to operate while being sheltered from full overhead costs until the company is up and running.
